

Tragedians (Player

Note: The Tragedians are important, but mostly silent. In this section, for audition purposes you'll be asked to act out the various ways of dying as outlined by the Player.

Player. It's what actors do best. They have to exploit whatever talent is given them, and their talent is dying. They can die...

heroically...

comically...

ironically...

slowly...

suddenly...

disgustingly...

charmingly...

or from a great height.
